# Fabrizio Boninsegna

☐ fabrizio.boninsegna@outlook.it • in fabrizio-boninsegna ☐ NynsenFaber

### **Personal Details**

Nationality: Italian

### **Education**

### Ph.D. in Information Engineering

University of Padova 2022 – present

Supervisor: Francesco Silvestri Co-supervisor: Martin Aumüller

Topic: Algorithms for Differential Privacy and Mobility (in collaboration with Motion Analytica Srl)

Master's Degree in Physics

University of Padova, 110/110 cum laude, (weighted Average: 29.25/30) 2019 – 2022

Thesis: Problems of Ranking and Dynamics of Complex Bipartite Networks in Economic Complexity

Supervisor: Fulvio Baldovin; Co-supervisors: Attilio L. Stella, Gianluca Teza

Main Courses: Statistical Physics, Complex Systems, Many Body Quantum Theory.

Bachelor's Degree in Physics

University of Padova, 105/110, (weighted average: 27.15/30)

Thesis: Solitons in Classical and Quantum Fluids

Supervisor: Luca Salasnich

## **International Experience**

### IT University of Copenhagen - University of Copenhagen (BARC)

Visiting Researcher 2024

Conducted research on Differential Private Algorithms with Prof. Martin Aumüller and the Providentia group at Basic Research Algorithm Copenhagen (BARC). Focused on Locality Sensitive Filters for Differential Private Approximate Range Queries and Quantile Estimation with Local Differential Privacy.

### Ruprecht Karl University of Heidelberg, Germany

Erasmus Exchange Program (winter semester)

2020 - 2021

2016 - 2019

Completed coursework in Monte Carlo Simulations, Many-Body Quantum Physics, and Quantum Information.

# **Grants and Scholarships**

Ing. Aldo Gini Foundation Scholarship

2024

The scholarship covered part of the expenses for my visiting research period in Copenhagen.

Oblivious, Oxford Differential Privacy Bootcamp

2024

I was invited for a one-week bootcamp in differential privacy by Oblivious in Oxford.

### **Work Experience**

Academic Roles.....

**Motion Analytical Srl** 

Ph.D. Student Researcher

2022 - present

Conducted research on mobility data, privacy, and smart mobility.

**University of Padova** 

Physics Tutor

2020

Delivered online tutoring sessions for Bachelor students in Biology during the COVID-19 pandemic.

**University of Padova** 

Librarian (Part-Time)

2019

Assisted with library operations as part of a 200-hour student work program.

Private Sector Roles.....

Giardini dell'Arena / Parco della Musica, Padova

Bartender

2021 - 2022

Part-time bartender for events including concerts; full-time from April 2022.

Primiero San Martino di Castrozza

Waiter

2016 - 2020

Seasonal work during summer and winter at a four-star hotel.

### **Skills**

### Programming Languages.....

Python Python

High proficiency with libraries for data science (numpy, pandas, matplotlib, etc.), geo-spatial anal-

ysis (geopandas, shapely), deep learning (PyTorch),

and differential privacy (OpenDP).

Rust Lower-intermediate level; developed a project on similarity

search in high-dimensional spaces using Rust.

C++ First programming language I learned during University

in Physics.

Languages.....

English **English** 

Full professional proficiency demonstrated through aca-

demic and research activities.

Soft Skills.....

**Adaptability** 

Proven ability to excel across diverse academic disciplines, effortlessly

transitioning between Physics and Computer Science while adapting

to international and interdisciplinary research environments.

#### **Personal Interests**

#### Music:

• Play bass guitar (5 years of jazz training during high school), guitar, piano, and synthesizer.

- Interested in music production using digital audio workstations such as Logic Pro X and Ableton Live
- O Published a self-produced album titled *L'assenzio* with my former progressive rock band *Elettroliti*.

#### Mountain:

- Passionate about sport climbing and hiking, regularly engaging in outdoor activities.
- O I assist The South Adventure in guiding young enthusiasts of mountain hiking on their excursions.
